GENERAL
COUNCIL
—2019—

OUR CHURCH OUR FAMILY

The Assemblies of God is the world's largest Pentecostal denomination. Over the last decade the U.S. Assemblies of God has grown by 12 percent to over 3.2 million adherents. The Fellowship is 53 percent under the age of 35 and more than 43 percent ethnic minority. Globally, there are over 69 million Assemblies of God members who worship in more than 370,000 Assemblies of God churches.

GENERAL COUNCIL is the AG's largest gathering. More than 26,000 church leaders and influencers from around the world come together once every two years to conduct important church business, elect top church officials and take part in other activities of the church during the day, and then participate in the power-packed services during the evening.

General Council 2019 convenes in Orlando, Florida (Thursday, August 1-Sunday, August 4). The event will feature the Influence Conference (Wednesday, July 31–Thursday, August 1), and the National Youth Convention and Fine Arts Festival (Tuesday, July 30 – Saturday, August 3). This gathering will feature powerful worship services, inspirational speakers and more. It will also offer a unique opportunity to reach thousands of ministry leaders and laymen on-site, and tens of thousands who participate via the live streams, web and mobile app.

REACH AN INFLUENTIAL AUDIENCE AS AN ONLINE ADVERTISING PARTNER

General Council App

The General Council app is the best way for attendees to connect to the events and news that's happening around them. Everything attendees need to know about GENERAL COUNCIL will be featured including maps, charts, restaurant/ shopping locations, speaker information and event schedule. Through breaking news alerts, users will be invited to read and share what's happening, the moment it happens. Through in-app ads, put yourself in a position to connect directly with the attendee. The App will be available for mobile and tablet devices.

General Council Website

The General Council website is one of the most heavily trafficked websites of the AG and will see a significant increase in the number of visitors during the event. Some elements available through this site are:

- Streaming video • News • Media Resources
- Pictures • Maps • Complete Schedule
